### **The Mom's Choice Awards Names *Adventures of the Sea Kids* Among the Best in Family-Friendly Products**

GLM Publishing is honored to announce that *Fast Freddy* has earned the prestigious Mom's Choice Award®. Having been rigorously evaluated by a panel of MCA evaluators, *Adventures of the Sea Kids* is deemed to be among the best products / services for families.

Boca Raton, Florida. The Mom's Choice Awards® has named *Adventures of the Sea Kids* as among the best in family-friendly media, products and services. The MCA evaluation process uses a propriety methodology in which entries are scored on a number of elements including production quality, design, educational value, entertainment value, originality, appeal, and cost.

To be considered for an award, each entrant submits five (5) identical samples for testing. Entries are matched to evaluators in the MCA database. Evaluators are bound by a strict code of ethics not only to ensure objectivity, but also to ensure that the evaluation is free from manufacturer influence. The five evaluations are submitted to the MCA Executive Committee for final review and approval.

"Our aim to introduce families and educators to best-in-class products and services," explains Dawn Matheson, Executive Director of the Mom's Choice Awards. "We have a passion to help families grow emotionally, physically and spiritually. Parents and educators know that products and services bearing our seal of approval are high-quality and also a great value. The MCA evaluation program is designed to incorporate the expertise of scientists, physicians and other specialists; but we also engage parents, children, educators, and caregivers because they are experts in knowing what is best for their families."

With the evaluation now complete, the testing samples of *Adventures of the Sea Kids* will be donated to schools, libraries, hospitals and nonprofit organizations.
